

INTERESTED IN TEACHING MATH OR SCIENCE?

Join the Math & Science Teacher Program (MAST)!

The MAST program gives students who are interested in teaching an opportunity to explore Math and Science education. We're looking for students who have a passion for their subject(s) and for teaching and helping others. This may lead you to a career in teaching in a K-12 classroom. During the program, you will get more information on our teaching credential program at CSUEB that is on the path to teaching at a high school, middle school, or possibly Science at an elementary school.

Eligibility

- Juniors and seniors
- All STEM Majors
- Liberal Studies Majors (must be interested in Math or Science)

Award

- Participating juniors receive: \$1,500
- Participating seniors receive: \$3,000

Qualifications

Attend 2 workshops:

- Friday, 11/15, 12-2pm: Fall Orientation and Myth-busting
- Friday, 3/7/25: Science Museum Field Trip
- Working sessions for teaching credential applications

And attend a 1:1 support meeting to help plan your teaching career!
